The Suki Reed Fact Sheet

Who: Suki Reed – keynote speaker, mountain climber and CEO of PrepMasters – resides in Newport Beach, California. She holds a Bachelor of Science degree in Education Technology with honors from University of Wisconsin and a TESL teaching certificate from the University of California, Irvine. She also holds the following premier IT certifications: CTT+, MCT, MCSE, CCNA, A+, Network+, and i-Net+. Suki also volunteers her time at USARC, teaching disabled persons how to ski.

What: Suki Reed's Train-the-Trainer Workshops sell out regularly and draw international acclaim. Her keynote speeches captivate audiences through wit, intelligence and charm. Through public speaking, she aims to reach into the listener's soul and tug on heart strings to educate, inspire and bring about change.

When, Where: Speaking dates are available at the client's location throughout the United States by appointment. PrepMasters' Trainer Training Workshops are available monthly in Irvine, California.

Why: To educate the public about Train-the-Trainer concepts and the availability of Suki Reed as a keynote speaker on such topics as Mountain Climbing and Leadership, Secrets of Effective Instruction, Neurobiology of the Adult Learner, and more.

How: Suki's experience as a public speaker, world traveler, business owner, educator, volunteer and mountain climber allow her to inject life into any event.

Some of Suki Reed's KEYNOTE TOPICS

- **Adventures in Mountain Climbing & Instructor Leadership**
- **Bringing Out the Leader Inside You**
- **The Four Secrets of Effective Instruction**
- **Presenting to Large and Small Groups**
- **Secrets of Adult Learning: Neurobiology of the Adult Learner**
- **The Benefits of Volunteering: How it Improves Training Skills**
